## WORK EXPERIENCE

### SOUND ENGINEER, Sound Imagination, Springfield NJ | 2019 - 2020

Recorded, mixed and sound designed audio production for TV and radio commercials for advertising agencies. Managed and recorded voice over talent remotely and in person. Forged and maintained relationships with advertising, media and educational companies.

- Mixed audio for: Radio Spots, TV Spots, podcasts, pharmaceutical, medical and corporate videos
- Selected songs to accompany advertisements
- Sound designed for TV and radio spots including sound effects
- Connected media companies with talent

### SOUND ENGINEER / PART TIME STUDIO ASSISTANT, Triple Colossal Studios, Hoboken NJ | 2016 - 2020

Worked closely with Dylan Wissing, Owner, to engineer and mix recordings. Took on projects from start to completion. Tracked a wide range of live instruments with a focus on drums.

- General studio maintenances
- Trouble Shooting
- Mic set ups
- Worked with outboard gear and patch-bay
- Filmed and edited videos

### VIDEO EDITOR / SOUND DESIGNER, Music School Online | 2016 - 2019

- Filmed and edited educational videos using Final Cut Pro
- Created lesson plans for online music education program
- Recorded mix audio for videos

### FREELANCE MUSIC PRODUCER, RiRo Muzik NYC | 2014 - 2017

#### Shifted Recording Studio, Indie Studio Drummer

Worked closely with Rozhan Razman (Studio Owner) to engineer and mix recording projects from start to finish. Tracking and mixing artists such as Scott Devine (Scott's Bass Lessons), Adam Neely, The Lesson GK, Rie Tsuji and more. Special focused on tracking and mixing live arrangements.

### MUSIC PRODUCER / SOUND ENGINEER, Sweetsounds Studio & Shifted Recording Studio, NYC | 2014 - 2016

- Wrote / arranged (built) digital and analog instrumentals for artist compositions
- Engineered / tracked (audio) vocals, guitar, drums, bass, piano, etc.
- Coordinated budget and scheduling aspects of projects
- Forged and maintained client relationships.

## ADDITIONAL EXPERIENCE

### SONGWRITER / COMPOSER THE CASTLE WALLS | 2010 - Present

- Develops catalogue of several hundred songs
- Composes work for advertisements, promotional videos and student films
- Collaborates on dozens of compositions
- Established independent recording studio to work on multiple projects
